In compliance with provisions S. 84 of the Act, with the Handbook for Selecting Contractors within Operation Programme Research and Development for Innovation, and with requirements of Contracting Authority specified in tender documentation for the public order in question – Contracting Authority announces

cancellation of tender

„VR 117 – Supply of software licences for traffic modelling for Transport R&D Centre “

The reason for the cancellation of the tender is the fulfilment of the condition in compliance with S. 84 (1) (b) of the Act, i.e. that all the candidates were excluded from the tender.

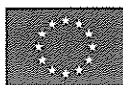

New tender procedure shall be commenced after the opposition period against the decision in compliance with S. 110 (4) of the Act. The Contracting Authority shall inform tenderers of a new tender procedure in an identical manner as before.
