PUBLIC CONTRACT:
VR 67: Purchase of Driving Simulator for Transport R&D Centre

Contracting Authority according to § 84 of the Act No. 137/2006 Coll. On Public Contracts, as amended (hereinafter referred to as "The Act"),

DECIDES TO CANCEL THE PROCUREMENT PROCEDURE

to the above mentioned public contract on the ground of:

According to § 84 Art. 2 e) of the Act: reasons worthy of special consideration arose during the procurement procedure, for which the Contracting Authority cannot be asked to continue in the procurement.

Reasons of the cancelation of the procurement procedure:

According to § 49 Art. 3 of the Act the Contracting Authority is obliged to send the additional information, including the exact wording of the question, to all the suppliers who asked to provide the tender documentation or who received the tender documentation. Due to an administrative fault the additional information was not sent to all the suppliers who asked to provide the tender documentation or who received the tender documentation, which means breaking of § 49 Art. 3 of the Act. Therefore the Contracting Authority was forced to make a corrective action and cancel the above mentioned procurement procedure.
