

CZ.1.05/2.1.00/03.0064

The Contracting Authority Centrum dopravního výzkumu, v. v. i., based Lišeňská 33a, 636 00 Brno after rejecting of the offer by the Commission for assessment and evaluation of the offers, issues in the small-scale public contract for supplies:

"VR 57B supply of eye -tracking for Transport R & D centre"

I exclude from the tender the candidate:

**SMI – SensoMotoric Instruments GmbH, Warthestrasse 21- D 14513 Teltow, GERMANY,
HRB22447P**

(hereinafter „the candidate“)

delivering offer No. 3

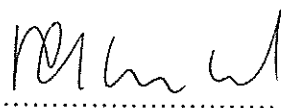

Justification:

The Commission for assessment and evaluation of the offers found out, that the candidate changed Art. II par. 2 of the contract. The offer is contrary to the invitation to contract, that forbids changing the contract.

The Commission stated, that the offer No. 3 didn't fulfil the tender conditions given by the Contracting Authority.

For this reason, the Commission rejected the offer and recommended to the tenderer to exclude the candidate from further proceedings in this tender. The Commission's recommendations were accepted and decided, as stated above.
